WHARF AND WAVE.

DIAMOND HEAD, June 11, 10 P.M. Weather, hazy; wind, light N. The steamer Likelike will take

up the Claudine's route this week. She goes out at 5 o'clock this afternoon.

The steamer Mikahala came down from the marine railway on Saturday. She takes up her Kauai route again this afternoon.

The steamship City of Peking, 3129 tons register, R. R. Searles, commander, arrived early last Saturday morning, twelve days out from Yokohama, and was docked at the P. M. S. S. Co.'s wharf at 7 A.M. She brought several passengers and 185 tons of freight for this port. The Peking was drawing 234 feet when she crossed the bar, coming into the harbor. She had 34 European saloon passengers in transit. After unloading her cargo she left again on Saturday afternoon for San Francisco.

The barkentine Discovery, Captain D. McNeill, leaves today for the coast.

The steamer Claudine will go up on the marine railway tomorrow, and will remain there for several

The full-rigged American ship Kate Davenport, Captain Reynolds, arrived on Sunday, 19 days from Port Townsend, with about 700,000 feet of lumber for Messrs. Allen & Robinson. When she arrived off port she anchored in 10 fathoms of water and remained there until the tug Eleu went out and towed her into port. She is now lying in the stream off Brewer's wharf.

The Lurline was to leave Hilo on Sunday last for San Francisco with 10,000 bags of sugar.

The different vessels in the harbor were gaily decorated yesterday in honor of Kamehameha day.

A remarkable sight was witnessed off Sandgate and Hythe the other day, when the whole of the coast between Sandgate and Lydd appeared reflected in the sea not a stone's throw from the spectators. After an hour or so the illusion disappeared. At the same time the French coast appeared reflected within fifty yards of the English coast. Such a mirage has not been witnessed for over forty years .- Ex.

A STEAMER 800 FEET LONG.

The Monster Ordered by the White Star Line.

London, May 15 .- The White Star Line has given an order to Harland & Wolff for the construction of a steamer 800 feet long, which, the firm is confident, will beat anything afloat. The only For Mani and Hawaii, per stmr Kinau.
